Lynchburg, Va., June 5.—Brilliant of pitching and sensational fielding turned in the opening game of this series with Richmond to-day inte an eleven inning contost, the score being 3 to 3, when darkness put an end to further play. Bruck outpitched Donovan, for two of the runs scored by the Colts were directly due to errors by McDonnell and Woolums, which were made on easy chances, while the runs of the locals were shoved in with the stick Two of these, however, were started by passes, but hitting did the rest. Bruck threw away a chance to win in the ninth when he did not try to store on a long fly to right. In the fourth Egan walked, He started to steal, and McCormae cut him off ten feet, but McDonnell dropped the ball in tagging the runner. Then Dobson's drive to right scored the runner.

The score was tied in the eighth, when Morrison could not get to Baker's fly to left centre. Wallace sacrifed, and Baker scored on McCabe's drive to centre, this being the only run errors did not figure in.

The Shoemakers got a start in the fourth, when Keating walked and stole. He took third on Woolums's delâyed steal.

In the sixth Keating walked again, and stole second again, to score on Woolums's triple between between between left in the sixth Keating walked again, and stole second again, to score on Woolums's triple between between left in the tenth and eleventh the locals of the start in the fourth, when dealine, Morrison's represented Woolums, giving the locals a lead.

In the tenth and eleventh the locals

lead.

In the tenth and eleventh the locals got a man on third, but the timely bingle did not materialize, because of Donovan's steady work. The score:

# DANVILLE DELAYS RAISING PENNAN

Roanoke Ties Score in Ninth, and Wins Out in Tenth, 7 to 5.

[Special to The Times-Dispatch.]
Danville, Va., June 5.—With Danville ahead at the beginning of the ninth inning, a misjudged fly caused Roanoke to tie the score, and the Lynchburg, Va., June 5.—Brilliant Tigers won out in the tenth, when Hol-pitching and sensational fleiding turned land knocked a home run. The locals iast half of the tenth inning, but there was nothing doing for the Red Sox The score was 7 to 5 in favor of the visitors. Efird was on the firing line visitors. Efird was on the firing line for the visitors, while Griffin did the twirling for the locals, and their pitching was nothing extra, both men being hit rather freely. The result was a sore disappointment to the gathering of fans. The management has decided not to raise the pennant in the present series with Roanoke. The score:

# PITCHING DUEL Won by Norfolk

Busch's Men Fail to Hit at Critical Times, and Lose to Tars.

[Special to The Times-Dispatch.]
Norfolk, Va., June 5.—In a slow and tame game, due in great part to the fact that both Poole and Bruckmiller possess ice wagon deliveries, despite their effectiveness, the Tars defeated the Goobers by the score of 4 to 1. It was a pitchers' duel, in which the visiting twirler yielded the lesser number of hits, but in which Pool proved much more effective in the plinches.

pinches.

In plain words, when Busch's men needed to find the range, they were missing, except in the third, when Benbow's double after two had been retired, was followed by Bowen's gingle and counted for a lonesome tally At other times nothing was doing against Poole in the pinches.

On three different occasions the ball was walloned by the Tars at the pay-

# TONIC

The need of a tonic in the Spring is almost universally recognized. Bodily fatigue, fickle appetite, poor digestion, nervousness, lack of energy, etc., prove that the proper amount of nourishment is not being supplied to the body through the circulation. The stomach, bowels, and digestive members are sluggish from lack of stimulating nutrition, and in consequence the entire body suffers from the effects of a poorly nourished constitution. The use of a real blood-purifying tonic when the system is deranged from lack of nourishment, will often prevent the development of some scrious sickness, because weak systems cannot resist disease, while healthy, well nourished constitutions are able to ward it off. No medicine is of value as a tonic except one which purifies and enriches the blood, for until this is done the body will not receive its required stimulus and disease-resisting powers. S. S. S. is the best Spring tonic because of its genuine ability and worth as a blood purifier. It builds up the depleted system in the true way, by purifying the blood and supplying an increased amount of nourishment to every portion of the body. S. S. S. removes all impurities from the circulation, and overcomes the unpleasant physical ailments of Spring. S. S. S. is for sale at drug stores.

TO WORK AGAIN

TAMPA, PLORIDA, VIA THE ATLANTIC COAST LINE.

On Tuesday, June 6th, the Atlantic Coast Line will sell round trip tickets from Richmond, Via, to Incksonville, Fla., at \$9.50 and to Tampa it \$11.50, line on Manager Stocksdale and his Shoemakers, for if nothing more happens to them the entire team will be hack at work in a day or two and all of them, it is believed now, will be in good playing condition.

Brooks, who returned from his home after ten days. Illusted from his home.

Brooks, who returned from his home after ten days' illness, thinks he is in condition now, and that he can give as good account of his stewardship as he did last season.

Bill Howedell, the clever shortfielder, who has been out for more than two weeks with a bad knee, is ready to go back to work, but it will take him several good days to get back his old confidence.

McDonnell is now in fine fettle. His bad leg is right. He states now that he feels better than at any time since he joined the team.

R. M. Miley, a college pitcher from the Keyatone State, reported to-day, and is ready for a trial in the bex. Miley has a good college record back of him, and he believes he will have no trouble earning a berth here.

It looks now as though the team, after a few days of work together, will be able to give a good account of itself.

# SECOND CONTEST **DELAYED BY STORM**

Interest in Polo Cup Series increased by Postponement Until To-Day.

Until To-Day.

New York, N. Y., June 5.—Interest in the national polo cup series—with the American defenders in possession of the first game by a close score—is stretched over at least another twenty-four hours, because of a storm. The rain, which delayed the first match from Wednesday to Thursday last week, came even heavier during the formoon to-day, and caused postponemy, of the second contest. The teams hope to cross mallets to-morrow aftermoon, provided the weather does not again disappoint them. As the coronation of King George V. draws closer, and all the English officers have assignments at that event, every day's delay means fewer hours between the two remaining matches. The third match will probably be played either Thursday or Friday.

When the morning storm ceased to-day, the ponies were trotted out of their stables for the customary aftermoon gallop over the turf, while all, the players were given mounts. Corder to keep the muscles limber, and all the try-out this afternoon was not at fast clip, for neither side cared to risk a strained tendon at this critical stage, in the contest for the cup.

The line-up to-morrow will probably be unchanged.

COLLEGIANS READY FOR REDSKINS' SCALP

REDSKINS SCALE

REDSKINS SCALE

There promises to be a fast game of baseball on Wednesday, June 14, at Broad Street Park, the opposing teams being the Cherokee Indians, famous all over the country as one of the strongest independent teams playing ball, and Dr. Bagby's Collegians, who have uite a reputation themselves in Virginia. The Indians have an enviable record for the past two years, having lost but forty-seven games out of 247 played, among their opponents being the strongest semi-professional teams in the country. The Collegians will have their regular line up for the first iffime this year, both Sitterding, of Georgetown University, and Bowe, of the University of Virginia, having returned from college. Hinchman, Trevillan or Wright will work in the box, Bowe or Cottrell will do the receiving and the infield of Ford, Augustine, Ezekiel, Sitterding and Collins, with Rose, Anthony, Richardson and Bailey in the outfield, lends to the belief that the Collegians will have the scalps of the Indians hanging at their belts when the game is over.

# CINCINNATI EXPRESSES CONFIDENCE IN GRIFFITH

Convidence in Griffith

Cincinnati, O., June 5—The directors of the Cincinnati Ball Club, after considerable debate, to-day expressed full confidence in Manager Griffith's ability and the strength of the team. It was voted to spend money for the acquisition of any available players who might lend assistance to the club. Griffith was questioned at length as to the ill-success of the team, and his answers seemed to meet with general approval.

proval.

President Lynch, of the National League, arrived while the meeting was in progress, and was closeted with August Herrmann as soon as the directors adjourned. He has the statements of the Pittsburg club and of Umpires Kiem and Doyle regarding the game protested by Pittsburg May 27, and requested Griffith and Grant, of Cincinnati, to turn in their versions of the affair.
